

## **Our Vision:**

To improve the professional response to sexual violence and safeguarding

## **Our Values:**

### **Learning**

*We develop and deliver high quality training and resources for professionals*

### **Innovation**

*We are at the forefront of identifying emerging themes and are instrumental in creating change*

### **Management**

*We support leaders to design, provide and evaluate world-class services*

### **Excellence**

*We strive to enhance quality in everything we do*

## **Our Three-Year Strategic Priorities:**

1. Maintain our footprint in the Sexual Violence Sector
2. Grow our reputation in the University and Higher Education Institutions Sector
3. Grow our reputation and services in Safeguarding in Sport
4. Grow our front-line prevention training services in Safeguarding in Sport
